Dear 

While words seem inadequate at this time, I do want to extend to you my deepest sympathy in the loss of your husband. Although Bill was with the Intelligence Community Staff for only a short period, he had demonstrated great pride in his work and a strong commitment to excellence. He had made many friends during his 10 months with the Intelligence Community Staff and will be remembered by all who knew him. I hope you will derive some comfort in knowing that Bill served his country and the Intelligence Community well. If we may be of any service to you, please feel free to let me know.

Sincerely,

/s/ William J. Casey
